

e-WOOF

Electronic Newsletter for Wyoming's OUT-OF-OPTIONS Furkids

January 27, 2014

e-WOOF is a bi-monthly e-newsletter produced by a small group of Wyoming dog rescuers in an effort to highlight shelter dogs in critical need of help.

e-WOOF spotlights many dogs that face euthanasia within days unless they are rescued, fostered, or adopted.

Transport can be arranged, in most cases, to approved adoptive or foster homes or rescue organizations. Please help us! These are good, healthy, happy, loving dogs that are out of luck and out of time. We urge you to crosspost to e-mail lists and Web groups, forward to friends, send to co-workers, and share with family. We hope our efforts, combined with yours, will save many lives.

**For the Animals,
Christina, Kathy,
Sherry, & Vicki**

TEBOW is a Boxer mix, 2-1/2 years old. "I am neutered and appear to like men, women, kids, dogs, cats, and livestock. I am also housebroken. I don't jump fences, and I love all dog treats and playing outside. I am a laid back, friendly, and loving guy who needs space to play. Oh yes, I enjoy going for walks, and will go as far as someone wants to take me on a walk. **How can anyone resist such a good looking and friendly guy – even if I say so myself. Please come meet me and let's get acquainted. Maybe we can become a family?!**"

 **TEBOW**

CHICA is a Heeler mix, 1-1/2 years old. "Hey, everyone, Chica here! Did you happen to notice my gorgeous red color with dark brindle tones? I like to go for walks, and I am ready to go the minute I see you with a leash in your hand. I'm a happy-go-lucky, full of life sort of girl who is up for any fun activity: jogging, walking, or chasing a ball. **Every night before I go to sleep, I pray for a new family to adopt me and give me a warm and loving home. I have lots of love to give in return. Please come meet me and let's go for a walk!**"

 **CHICA**

BENTLEY is a German Shepherd mix, 3 years old. "I'm a beautiful, fun, young dog who enjoys the world! I am happy, friendly, and I enjoy a walk. I'm neutered, and about 3 years old. I enjoy treats and doing lots of sniffing when I am on a walk. It would probably be best if I had a home without cats or other small animals. Before I came to the pound, I lived with another dog about my same size, and we were good buddies. **Spring will be here in a couple of months, and I hope I have a new family to go on walks then. You can find me waiting at the pound. Please come see me and let's see if we can become a family!**"

BARKLEY is a handsome 1-2 year old Shepherd/Rottweiler mix. **He has lots of energy and loves to play, but also is a huge lover!** He thinks he is a lap dog, and just wants to be close to you. He would probably be best in a home without cats or small children; his energy level may be a little intimidating for a small child.

SOPHIA is a 2 year old Lab/Border Collie mix. **Poor Sophia had a bit of a colorful past with an owner who abused her, so she can be a little timid at first. Once you aren't a stranger anymore it is hard to tell that she had ever been abused!** She is playful and affectionate, and a great all-around dog!

 **SOPHIA**

BELLE is a 1-1/2 year old Bloodhound/Redbone Hound. **She was the Mama of a litter of adorable puppies who all found good homes, and now she is looking for her own forever family.** She is a little weary of strangers at first, but once this girl warms up to you she is a doll! She is a loving girl with a sweet personality!

Note: We could use foster homes for Daisy and Ben!

DAISY is 6 years old and needs to be an only dog and no small children; over 8 years old is fine. Daisy is housetrained, micro-chipped, spayed, and current on her vaccinations. She is very sweet and meets-and-greets fine, but not in a home situation.

 **DAISY**

 **BEN**

BEN is 6 years old and needs a home with no small children, over age 10 is okay and maybe one, to possibly two other dogs, but more of a low-key setting. Ben is fine with cats, too. Ben is housetrained, neutered and current on his vaccinations.

A COOL Dog Fact from Petfinder®

It pays to be a lap dog. Three dogs (from First Class cabins!) survived the sinking of the Titanic – two Pomeranians and one Pekingese.
